

## London Show

Comatel attended on 6<sup>th</sup> , 7<sup>th</sup> and 8<sup>th</sup> February at ICE Totally Gaming 2018 in London, which brought together the most important regulators of the gaming industry and where it has been presented the most innovative and state-of-the-art products of the market.

This show is the only one in the world that covers the entire range of gaming products in all their forms. Last three years it has attracted professionals of the industry from 122 countries, and there were almost 25,000 attendees in 2016.

ICE Totally Gaming 2018 London had the presence of the most important manufacturers in the world. During three days Comatel showed the innovations and improvements in its business line for this 2018.

Comatel met and approached business opportunities, expansion and alliances with new clients at this show. At the same time it has contacted current clients to approach more than interesting projects for this year 2018 which is exciting.

## ANESAR Congress

Comatel was present at the ANESAR 2017 Congress on 19<sup>th</sup> December at IFEMA, Madrid. Comatel presented its latest incorporations and innovations of gaming machines for gaming arcades at this event. The influx of participants beat the figures of the previous congresses, as well as the number of sponsors also registered a new record, which generated new contacts and business opportunities with new customers.

This congress had put the focus on the clients, with talks and debate tables to be able to exchange opinions and points of view with the participants of this event.

### **Pastón.es also bets on “Fallas de València”**

Paston.es is an innovative and leading line of business, and an example of this is its latest campaign, in which they encouraged their players to predict which Falla of Special Section would win the first prize as the best Falla in 2018.

They made different bets with the Fallas of Special Section in Valencia, being the favourite Convento de Jerusalén-Matemático Marzal (quota 1.58), followed by Plaza del Pilar (1.77), Exposición-Micer Mascó (3.91), Sueca-Literato Azorín (5.07), Cuba-Literato Azorín (2.73), Almirante Cadarso-Conde Altea (5.98) Na Jordana (6.67) and Reino de Valencia-Duque de Calabria (7.07).

Besides this, PASTÓN.es prepared a Special Fallas Slots Tournament. People could participate in this tournament that distributed up to 1,500 € in prizes from 16<sup>th</sup> to 19<sup>th</sup> March.

## EVO by APEX homologated in Murcia and Aragon

Comatel continues to work in homologation of our gaming machines in more autonomous communities. Recently we have achieved the homologation of our EVO model by APEX for a maximum prize of 6,000 Euros in two autonomous communities: Murcia and Aragon.

On 11<sup>th</sup> April at the main headquarters of Comatel in Catarroja, a technical workshop was held with staff from all over the Spanish geography to present this new machine, its operation, configuration and maintenance, in order to give a quality technical service to customers who acquire this new model.

So, we offer our customers and users exclusive machines in these two autonomous communities, with a new type B machine, suitable for bingo halls and gaming arcades, with configurations from 1 to 10 players and with a maximum prize of 6,000 Euros.

These machines suppose a level jump, thanks to the new experience of game that the user lives and their excellent income.

## Comatel obtains new homologations in different autonomous communities.

The Comatel Homologation Department has worked intensively during the first quarter of 2018 to obtain different homologations of gaming machines in different autonomous communities:

- As a novelty, we have approved our MULTILINER TWIN model in the following autonomous communities: Aragon, Murcia, Baleares and Basque Country with a maximum prize of 500 Euros, and La Rioja and Andalusia, with a maximum prize of 400 Euros.
- Andalusia: MULTILINER V24 of 2, 3, 4 and 6 players with and without Jackpot and maximum prize of 1,000 Euros.
- Castilla La Mancha: MULTILINER HX of 3 players and a maximum prize of 6,000 Euros and MULTILINER 6,000 with Jackpot of 3 players and a maximum prize of 6,000 Euros.
- Valencia: ROULETTE GRAND JEU of 5 and 8 players with a maximum prize of 1,000 Euros, and ROULETTE GRAND JEU of 5 and 8 players with a maximum prize of 3,000 Euros.

Comatel wants to give more service and more variety of gaming machines to operators and customers of these autonomous communities who claimed to be able to exploit these references with these new homologations.

## Next Shows
