

COMATEL MEAL IN ANDALUCIA

Comatel, faithful to its magnificent style to celebrate any sectorial event, offered a luxury meal to its more than two hundred guests to present their flagship products of AMATIC, APEX and its Game Portal, PASTÓN.ES, which belongs to the company EUROAPUESTAS ONLINE.

The event was held on 20th September at the Restaurant of the Hotel Parador Málaga Golf where Mr Fidel Molina, in his inaugural speech, thanked all the attendees, more friends than Operators, the learning that his company does day by day with the close relationship that keeps with all of them. This approach is one of the keys of the success of the Company. Regarding the exhibited products, the following AMATIC models stand out: Roulette Grand Jeu, the Multiliner "V24" Bar with a prize of € 500, and Multiliner "V24" for arcade homologated for the different Communities

DELIVERY ROULETTE REPLAY

When Mr Manuel Zafrilla Ballesteros, Videomani XXI Commercial Director, recently winner of the commemorative draw for the purchase of the Roulette Grand Jeu 24 HX number 1,000 held during the inauguration of the new facilities of the Comatel Group, said on stage that he had a perfect space to locate it, he was not joking ... a few months later it looks in all its expression in the gaming arcade that Videomani has in Manises.

During the handing over of the roulette, in a discernible atmosphere, between laughter and some joke, Mr Fidel Molina, Mr Ramón Rojo and Mr Manuel Zafrilla remembered the exact moment when the lucky ticket was taken from the box.

Mr Manuel Zafrilla shows us with a big smile, very happy as well as grateful, the place chosen to place such a gift, crowned as the jewel in the crown of the Replay Arcade in Manises.

Pastón.es continues its growth including new lines: the updated eSports and slots are already available on its website.

ENTERTAINMENT ARENA EXPO 2017

On 4th, 5th and 6th September, the eleventh edition of the Entertainment Arena Expo was held at the RomexpoFairGround in Bucharest, an important event since it is unquestionably the most important annual event held in Eastern Europe.

Comatel and Pastón did not want to miss the opportunity to attend and visit the exhibitors who presented a complete range of gaming products and services, including producers and distributors of casino games, roulette, jackpots, prize machines, betting, online gambling, casino cabinets and lottery.

The Entertainment Arena Expo brought together key companies from the traditional and online gaming sectors. More than 60 companies were in the EAE exhibiting their latest innovations, with important names such as Novomatic, Merkur, Interblock, IGT, ScientificGames, BetConstruct, ApexGaming, EGT and Amatic.

Along with the exhibition, the organizers prepared a series of seminars and conferences to keep the main players in the industry informed with the latest legislation issues.

6th ANDALUSIAN CONGRESS EXPO

The 6th Andalusian Congress Expo was held on 20th and 21st September. The event maintained the format similar to previous editions, but the organization wanted to reinforce the exhibition of machines to accommodate the entire product gallery that currently catalyzes the different market segments for the operator: hostelry, arcades, special machines, sports betting ... The best product selection for the operator.

Comatel was able to exhibit the Multiliner "V24" Bar with a prize of € 500, Multiliner "V24" for arcade which is homologated for the different Communities, and the Performer HD, all from Amatic, and the "Viva Mexico" from OLYMPIC, mixed B machine, so colourful as funny, at the stand that Tecnausa set for such occasion.

With more than one thousand seven hundred registrations, the reception of the most relevant Andalusian congress in the south of our country in terms of gaming keeps growing steadily, edition after edition.

The Andalusian sector shows a clear recovery in activity. The 1,500 square meters of exhibition space at the 6th Andalusian Congress Expo constitute a unique showcase for the operator to get in touch with the range of novelties directly exposed by the manufacturer, or through the professional knowledge of the marketing companies that develop their activity in Andalusia.

New companies that did not want to lose the opportunity to expose their machines have joined to the expo, thus increasing the number of exhibitors in comparison with last year.
